

KIDS CLUB GROUND RULES

1. Kids Club is available at posted times at an hourly rate.
2. Children ten (10) years of age and under who are not registered with Kids Club must be under adult supervision at all time and not left on their own on the Club grounds.
3. With a reservation made the day before, members receive priority in Kids Club over non-members.
4. Parents who are more than 30 minutes late will have their reservation cancelled.
5. Please respect others and keep children home if they are sick. Children who are deemed to be sick by Kids Club personnel may not be allowed into Kids Club.
6. Because parents are required to sign their children in and out of Kids Club, they must always accompany their children into Kids Club and pick them up.
7. Parents must remain on Club grounds while their children are in Kids Club. However, in lieu of a parent, an adult can assume that role of "Parent-In-Charge" with the full completion, by both parties, of a "Parent-In-Charge" form available from Kids Club personnel.
8. In order to maintain appropriate staffing, parents must notify Kids Club of cancellation at least one hour prior to their reservation to avoid being charged.
9. In the event of a No-Show, parents will be charge a No-Show fee.
10. There will be an additional fee for each 10-minute increment for children being picked up AFTER Kids Club is closed.
11. Walk-ins will be turned away if Kids Club is full.
12. On days when Kids Club is full, parents will be called to pick up their children if they are not picked up as scheduled to prevent over-booking.
