## CLUBHOUSE AND PRO SHOP

1. Normal Club hours are 6:00 a.m. to 10:00 p.m. Closing hours can be extended, or contracted, by the management on a day-to-day basis – depending upon the demand, or lack of demand for the Club’s facilities at that time. To avoid disappointment (i.e., the closing of any facility prior to its scheduled closing time), members are always encouraged to call the Pro Shop in advance of their arrival time and advise of their requirements.
2. Youths under 18 years of age (Juniors) are permitted in the Dining Room at any time, when they are accompanied by an adult. They are permitted in the Pro Shop, but only for the purpose of conducting business – not loitering. The Junior’s Rec Room is provided for general activities of younger members.
3. Swimming attire is not permitted in the Clubhouse and is severely restricted in the Pro Shop and Clubhouse Deck (Porch) areas to require that shirts or cover-ups be worn over swimsuits. Shoes or sandals are also required in these areas.
4. When using the Clubhouse Deck (Porch), all Juniors are permitted to occupy the north end only when accompanied by an adult. The Juniors may occupy the south end, adjacent to the Recreation Room, at any time. All other areas are strictly reserved for adults.
5. Food or beverages in breakable containers (i.e., chinaware, glass) must be consumed in the immediate Clubhouse or Picnic BBQ area and is totally prohibited anywhere else. Non-breakable containers (i.e., paper and plastic) are provided for consumption of food and beverage in other areas, except the tennis courts where food items are strictly prohibited.
6. All social or business functions at the Club must be notified and cleared, in advance, with the management before such a function may be authorized. (Please refer to the section titled “General Policy for Banquet/Party and Other Social or Business Functions” for specific details.)

## TENNIS COURT RULES

4. General Rules:
  - a. No food of any kind is permitted on the courts.
  - b. Court sign-ups are to be made at our Front Desk by our Front Desk Staff at all times when you are going to occupy a court – whether or not there are other open courts available. Failure to do so could mean loss of your playing privilege on that court, since a court not signed for is considered the same as a vacant court, which is available for play.
  - c. No smoking is allowed on the tennis courts.
5. Clay Court:
  - a. Advance reservations may be made for court play.
  - b. Reservations take precedence over non-reserved play and may be made no longer than seven (7) days in advance of play. No more than three (3) reservations may be made by an individual member in a seven (7) day period. Reservations are made by contacting the Pro Shop. Reservations may be no longer than one and one half hours. A ten minute default time is enforced.
  - c. Players are required to dress the court and sweep the lines after each use.
6. Teaching:
  - a. The giving of tennis lessons, by anyone other than tennis professionals authorized by the General Manager, whether or not for remuneration, is prohibited. Immediate family members are exempt from this rule. “Tennis lessons” are defined as providing on-court instruction to another party.
