(Kids Club may close early if no reservations)

General Information

Our Kids Club is designed to meet the needs of our members whose children are 6 months through 10 years of age and need care while their parents enjoy the Club's many facilities.

Kids Club Rules

- Kids Club is available at posted times at an hourly rate.
- Children 8 years of age and under who are not registered with Kids Club must be under adult supervision at all times and not left on their own on the Club grounds.
- Parents must accompany children to Kids Club and sign them in / out for each visit.
- Parents must remain on Club grounds while their children are in Kids Club. However, in lieu of a parent, an adult can assume that role of "Parent in Charge" by filling out appropriate paperwork.

Kids Club Etiquette

- We ask that you make advance reservations so that we will be properly staffed to watch your children. Walk-ins will be turned away if Kids Club is full.
- Please notify Kids Club of cancellations at least one hour prior to reservation.
- Please respect others and keep children home if they are sick.

Kids Holiday Camp & Summer Camp

Fig Garden Swim & Racquet Club offers kids camps for our members and their guests throughout the year, including Fun in the Sun Summer Camp and Holiday Camps during winter and spring breaks. Camp programs are designed for kids ages 4 - 12, offering a wide variety of activities including arts & crafts, exercise, field games, recreational swim & tennis, surprise guests & much more! Watch for sign-up information in the Club monthly newsletter and posted at the Member Relations Desk.

Family Nanny Information

Please register your nanny at the Member Relations Desk by filling out the appropriate paperwork. Your nanny may supervise your child/children while visiting the Club, but may not use the club facilities unless they are registered as a guest. With your signed permission, your nanny may drop off your child/children in Kids Club and remain on Club grounds. Kids Club pricing will apply.
