The Club is happy to offer enriching activities like arts & crafts, books, toys, and outside play set for our mini-members!

## **Kids Club Rules**

- Kids Club is available at posted times at an hourly rate.
- We ask that you make reservations so that we will be properly staffed to watch your children. Walk-ins may be turned away if Kid's Club is full.
- Please notify Kids Club of cancellations at least one hour prior to reservation time.
- Parents must accompany children to Kids Club and must sign them in and out for each visit.
- Children 8 years of age and under who are not registered with Kids Club must be under adult supervision at all times and not left on their own on the Club grounds.
- Parents must remain on Club grounds while their children are in Kids Club. However, in lieu of a parent, an adult can assume the role of "Parent in Charge" by filling out appropriate paperwork.
- Please keep children at home if they are sick.

## **Kids Holiday Camp & Summer Camp**

Fig Garden Swim & Racquet Club offers kids camps for our members and their guests throughout the year, including "Fun in the Sun!" Summer Camp and various Holiday Camps during winter and spring breaks. Camp programs are designed for kids ages 4 - 12, offering a wide variety of activities including arts & crafts, exercise, field games, recreational swim & tennis, surprise guests & much more! Sign-up information will be announced in the Club monthly newsletter and posted at the Member Relations Desk.

## **Family Nanny Information**

Please register your nanny at the Member Relations Desk by filling out the appropriate paperwork. Your nanny may supervise your child/children while visiting the Club, but may not use the Club facilities unless they are registered as a guest.
