

FIG GARDEN

SWIM  TEAM

NO SWIM TEAM EXPERIENCE REQUIRED

FGST welcomes swimmers of all ages and abilities! No experience required.

This is the perfect entry-level team. The kids just need to be water safe and able to swim across the length of the lane-line pool unassisted.

During the season, every child will be instructed to swim all four of the competitive strokes.

Our program will concentrate on fun and proper technique but should your child also want to compete we will prepare them for summer recreational league swim meets too!
